

7th International Carinthia Marathon

Marathon Carinzia | Koroška

The running festival in the heart of Carinthia

Sunday, September 29, 2024

Austria beckons! Feldkirchen in Carinthia is hosting the International for the 7th time marathon. By the way: This idyllic running event is the only one (!) in Carinthia that offers a full-distance marathon.

Beautiful, challenging, breathtaking & an experience for amateur and professional athletes alike! Every year, athletes from all over the world flock to Carinthia to be there and immerse themselves in Carinthia's natural landscape.

Natural jewel & old town magic

The ultra marathon, marathon and half marathon lead in sections through the impressive "Bleistätter Moor" nature reserve, which offers insights into the habitat of hundreds of bird species and butterflies. On the other routes you can experience the historic old town charm of Feldkirchen and explore the surrounding area of Tiebelstadt. Young talents can compete in their own junior marathon – a guided run through the enchanting old town.

particularities

You also have other offers, such as your own He and She rating in the quarter marathon and city run; a team ranking (men, women, men & women) in the quarter marathon as well as walking rankings in the city run, quarter marathon & half marathon. The largest group that registers for this year's International Carinthia Marathon will also be rewarded with a special surprise. So: joy, family & Activate club
